

ALERT ID	SOURCE SYSTEM	ALERT TIME	ANALYST
CLD-0105	Email Security / User Report	2026-09-01 07:45:03	Eshak Basta

ALERT (WHAT FIRED, ON WHOM OR WHAT):

- A user reported a payroll email with the subject "**Your August payslip is ready**" as suspicious.

HYPOTHESIS (BOTH DIRECTIONS):

- Malicious: A phishing email attempting to steal employee credentials.
- Benign: A legitimate payroll notification from Cloudora's internal HR system.

EVIDENCE CHECKED:

- **Email headers:** Confirmed the message path through Cloudora mail servers.
- **SPF:** Passed, confirming that the sending server was authorized.
- **DKIM:** Passed, confirming that the message signature was valid.
- **DMARC:** Passed, confirming that the sender domain aligned with the authentication results.
- **URL analysis:** The embedded link pointed to the internal `myhr.cloudora.io` portal.
- **AbuseIPDB:** No indicators suggested that the associated infrastructure was malicious.

VERDICT:

True positive	False positive	Duplicate	Escalate	Insufficient data
---------------	----------------	-----------	----------	-------------------

SEVERITY:

- Informational
- The email was initially reported as suspicious by the user but was re-rated to Informational after authentication and infrastructure checks confirmed that the message was legitimate.

ACTION:

- Closed the alert after verifying that the email was a legitimate payroll notification and informed the user that no malicious activity was identified.

JUSTIFICATION:

- SPF, DKIM, DMARC, URL analysis, and infrastructure checks confirmed that the message was legitimate internal payroll communication.

MITRE ATT&CK:

- None
